About Us

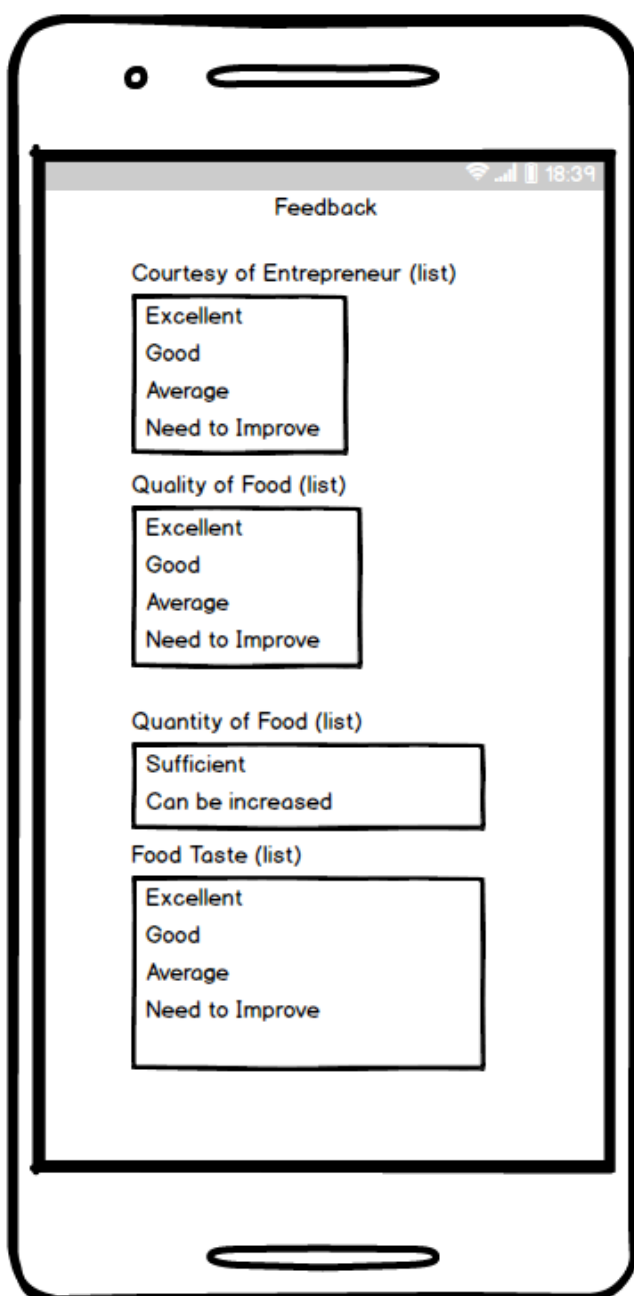

KATHIR is an innovative opportunity for disadvantaged urban women impacted by domestic/partner violence and in need of resources to care for people living with chronic and debilitating diseases. It helps them realize their livelihood aspirations.

The impact of KATHIR is manifold:

- Improved self-esteem for women
- Enhanced disposable incomes
- A purpose to be mobile - leaving the confines of their household
- Improved sense of empowerment
- Supports education, nutrition and health for their children
- Affordable, safe meals to the community

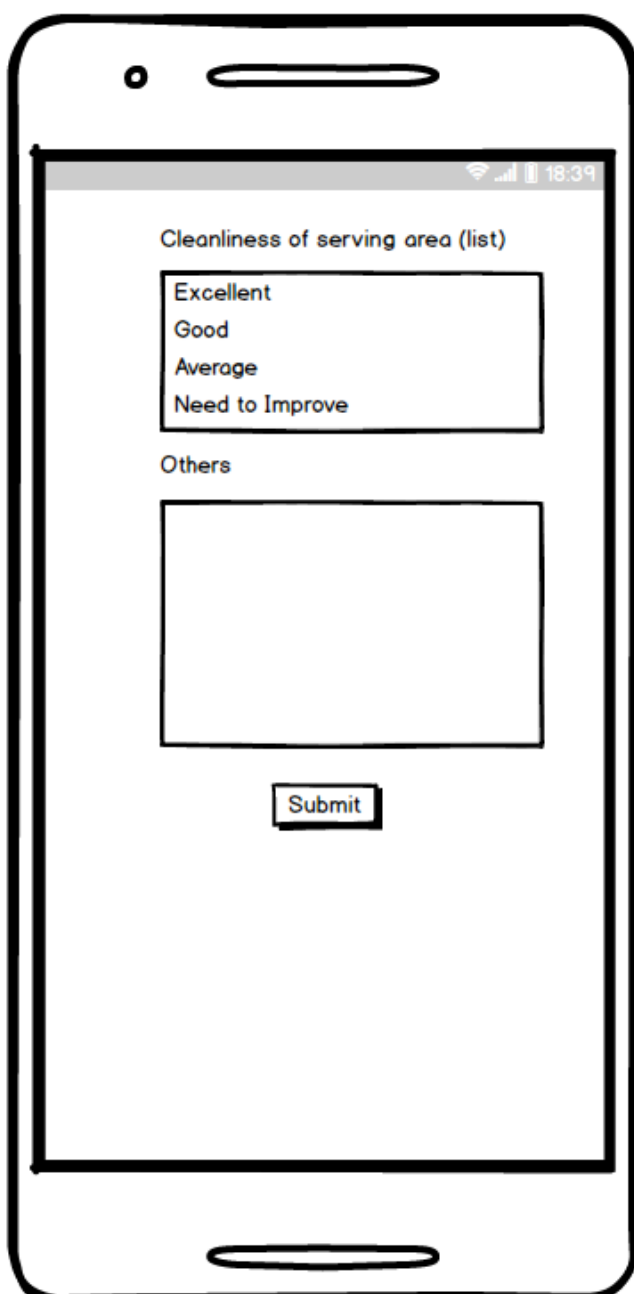

Process

"KATHIR" is a retail opportunity. It offers meals for resale. KATHIR is popular because it respects work-life balance: women are expected to work between 11 AM and 3 PM, MON-SAT. This reduces conflict at home and allows time for women to play other roles expected by their society. They earn between

A mobile app mockup for a feedback screen. The screen has a status bar at the top with a grey background, showing a Wi-Fi icon, a cellular signal icon, a battery icon, and the time 18:39. The title "Feedback" is centered below the status bar. The screen contains four sections, each with a title and a list of options in a rounded rectangle:

- Courtesy of Entrepreneur (list)**
 - Excellent
 - Good
 - Average
 - Need to Improve
- Quality of Food (list)**
 - Excellent
 - Good
 - Average
 - Need to Improve
- Quantity of Food (list)**
 - Sufficient
 - Can be increased
- Food Taste (list)**
 - Excellent
 - Good
 - Average
 - Need to Improve

A mobile app mockup for a feedback screen, continuing from the previous one. The screen has a status bar at the top with a grey background, showing a Wi-Fi icon, a cellular signal icon, a battery icon, and the time 18:39. The title "Feedback" is centered below the status bar. The screen contains two sections:

- Cleanliness of serving area (list)**
 - Excellent
 - Good
 - Average
 - Need to Improve
- Others**
 - A large empty rounded rectangle for additional feedback.

At the bottom center of the screen is a "Submit" button.
